

Welcome on board 'Start Small Dream Big' (SSDB) 2021!

Your SSDB 2021 Resource Package contains educational materials contributed by our SSDB Partners. We have compiled a list of these items, along with information on how you and your children can use them for your community projects. We have also compiled a list of our SSDB Partners' contacts for you to reach out to them should you need more information on their resources or programmes.

While you are encouraged to work with our SSDB Partners, your centre need not be limited by them – feel free to explore collaboration opportunities with other community partners on your SSDB project too!

#	Organisation	Message	Resource Item	Instruction for Items	Learning Outcomes	Quantity	Submissions	Additional info/Resources
3.	S.E.A. Aquarium at Resorts World Sentosa (RWS) 	<p>S.E.A. Aquarium aims to acquaint children with the majestic oceans and their inhabitants, as well as to explore the interconnectedness between our lives and various aquatic habitats that are right here in or around Singapore. We hope to emphasise the importance of making the right choices in our lives to make Singapore waters a safer and better place for the marine animals. Children can take action by exploring and understanding some possible effects of their daily choices on the marine community, and co-create or realise ideas to protect the marine animals and their homes.</p>	<p>E-Resources:</p> <ul style="list-style-type: none"> – Interactive story adventure (PDF file to conduct session) – Educator resource guide 	<p>Educators are to use the PDF as a tool to allow children to explore and discuss topics on marine animals and conservation. Children will be guided to make choices within the story, allowing them to understand the importance of these choices and how they can affect the marine animals.</p> <p>A brainstorming session will be conducted to explore types of alternative choices that can affect the marine community and to plan out related activities to address marine conservation issues.</p>	<ul style="list-style-type: none"> • Understand how our choices can affect marine animals and their homes • Discuss current marine conservation issues (local and regional) • Employ ideas that can be applied in our daily lives to tackle marine conservation issues 	One set per class.	<ul style="list-style-type: none"> • Teachers may snap photos of the class in session/activities conducted and share them with us. • We highly encourage pre-schools to share their ideas and efforts on their Facebook/Instagram and tag: <ul style="list-style-type: none"> ⇒ @rwsentosa ⇒ #seaaquarium ⇒ #seaa ⇒ #rwsmoments <p>  https://www.facebook.com/ResortsWorldatSentosa/  https://www.instagram.com/rwsentosa/ </p> <p>Showcase</p> <ul style="list-style-type: none"> • Within individual centres <p>Please feel free to discuss with the S.E.A.A. Education team on showcasing the children's efforts and projects for a wider or further engagement.</p>	<p>Availability of physical tours/ learning journey programmes for preschool centres are subjected to changes due to safe management measures. More updates regarding the availability of these tours will be provided at a later date to interested centres.</p>
4.	Wildlife Reserves Singapore (WRS) 	<p>Protecting the environment and wildlife is a community effort – we should work together to care for wildlife. The earth is our home, and it is everyone's responsibility to care for it.</p>	<p>E-information card about the possible project collaborations with WRS.</p>	<p>Teachers can get an idea of possible project collaborations with WRS and also have a guide on how their children can be involved. We will only accept proposals from schools working on these three animals.</p>	<ul style="list-style-type: none"> • Understand the need for responsibility (over personal actions, over the environment) • Stimulate empathy and compassion • Promoting language and literacy • Cultivate environmental awareness from young 	One per class/teacher	<ul style="list-style-type: none"> • If teachers use the resources for projects or classes, they may send us photos of their preparations. • Hashtag their photos with: <ul style="list-style-type: none"> ⇒ #WRS ⇒ #singaporezoo <p>  https://www.facebook.com/wrs.sg/  https://www.instagram.com/wrs.ig/ </p> <p>Showcase</p> <ul style="list-style-type: none"> • We encourage centres to plan projects and showcases that engage their own neighbourhoods and communities. 	<p>Orangutan:</p> <ul style="list-style-type: none"> • Activity E-resource: Activities that you can do with your students in class • Videos: Online activity pack, My Animal Buddy – Joko the Orangutan, International Orangutan Day Keeper feature • Conservation efforts by WRS: Addressing human-orangutan conflict, Buying smart and sustainable <p>Sunda pangolin:</p> <ul style="list-style-type: none"> • Audio book - Why did the pangolin cross the road? • Conservation efforts by WRS: Driving pangolin conservation efforts in Singapore, From trafficking to traffic
