

SSDB 2021 RESOURCE PACKAGE INFORMATION

Together with our SSDB partners, ECDA has put together a resource package to help you in your SSDB journey. Your centre may wish to use these materials to expand your curriculum programmes. You may also organise events for the children to give back to the community. We hope you find these materials useful. Keep reading to find out what they are!

ABOUT SSDB

Start Small Dream Big (SSDB) is our Early Childhood Sector's President's Challenge project, which encourages our children to give back to the community despite their young age. These community projects provide an authentic and meaningful platform for them to use their talents and creativity to serve others. Find out more about what has been done at www.startsmalldreambig.sg.
