WHY SHOULD WE CONSIDER THIS THEME?

Young children can learn the importance of empathy and respect by participating in this theme. Learning can take place in a variety of ways – from classroom-based sessions to visits to Community Care sites (e.g., Nursing Home, Eldercare Centres) to do intergenerational activities together.

An e-infokit will be provided to classes that wish to participate in this theme.

The e-infokit provides information that will help teachers provide information on seniors to help in their students' learning and also better prepare them to interact with seniors.

The infokit also includes activity ideas and planning guides for visits to Community Care sites (e.g. Nursing Homes and Eldercare Centres).

CAN WE VISIT COMMUNITY CARE SITES?

Links and visits to Community Care sites may be possible when the COVID-19 situation improves. For preschools that would like to explore visiting Community Care sites as part of their “Start Small Dream Big” journey, drop AIC an email at intergen@aic.sg.
