Befriending with Sharity

Sharity Befriending Infokits

What is it?

- One-stop infokit for educators to conduct befriending activities with seniors and/or persons with disabilities (PWDs).

Why journey with us?

- Young children can learn the importance of caring, empathy and respect by embarking on this befriending journey with seniors and/or PWDs by visiting them at various social service agencies.

How will we support?

- The e- infokit(s) will be sent to pre-school centres interested in this journey, consisting information to facilitate educators in preparing students for the visitations, as well as interaction with seniors and/or PWDs.

Link-ups and visits to social service agencies may be possible when the COVID-19 situation improves.

For preschools that are keen to explore this journey, feel free to email us at LIM_Si_Jie@NCSS.gov.sg.

***The infokits are produced by Community Chest, in partnership with AIC and in Spirit of SG Cares**
