Captain Green

The Birthday Surprise

Written & Illustrated by

On a sunny island,
there lived
three cheerful children...

Ben...

and Arul.

Dina...

They had a very
special friend,
Captain Green.

He brought them
on many adventures.

On other days,
he stayed as still as
a finger puppet.

One day, the children received an invitation to Melly's birthday party. Ben was bubbling with excitement!

But Dina and Arul did not want to go to the party.

"Calling Melly smelly is not nice,"
said Ben. "She will be sad if the
both of you don't come."

I don't want
Melly to be sad. I know!
Let's help her clean up.

If Melly cleaned up, many people will attend her
birthday party! But, how can we help?

Let's ask Captain Green!

To call Captain Green, we will need to
CLAP three times (clap, clap, clap)
NOD two times (nod, nod)
SHAKE our bodies...

and SAY...

"KADA
HEE

KADA
HOO"

Away they went,
above houses and hills...

Finally, they reached Melly's house.

It was empty. Nobody
had come to the party.

"Nobody likes me..."
Melly sniffled and sobbed.

"There there," Ben said.
"We are here to help!"

What's that smell?

Melly's home was very
dirty and messy indeed.
It was a **disaster**!

Her toilet was not flushed...

her clothes were all dirty...

...and she hadn't even cleaned herself up. What a **disaster!**

This called for Captain Green and his friends

TO THE RESCUE!

1

With a flush and a few swishes of the mop,
the toilet looked clean and smelled good.

2

With a bit of
washing and drying...

Melly's clothes were
as good as new.

With a shower, washing of
hands and brushing of her hair...

3

washy washy

brush brush

TA-DA! Melly was all ready for her birthday party.

DING!

Melly had baked chocolate chip cookies for everyone and they were finally ready!

After cleaning up, everyone's tummy was grumbling. They reached out for the cookies but...

Wait a minute...

Have you washed your hands?

Ben, Arul and Dina are not sure how to wash their hands correctly. Let's help them.

1. Rub palm to palm

2. Scrub between each finger

3. Rub the back of your hand
and scrub between your fingers

4. Rub the base of your thumb

5. Rub the back of your fingers
with your thumb

6. Scrub your nails on your palm

7. Wash your wrist

8. Dry your hands with a tissue

Now, their hands are squeaky clean. Thank you for your help!

Before long, all of Melly's friends came for the party and that made Melly very happy.

Thanks to Captain Green and his team,
it was the best birthday party ever!

Captain Green goes home after a
job well done for tomorrow is a
start of a new adventure.

Captain Green and his friends are going
for a birthday party, but something
horrible happens...nobody else turns up!

Join Captain Green and his friends to help
the birthday girl before the party turns
into one dirty, **smelly disaster.**
